

Gap Ridge Accommodation Village Accommodation

This project involved the installation of a permanent 1,500-man camp and associated facilities for Woodside Energy's Pluto LNG Project located at Gap Ridge in Karratha.

Works included the installation, fit out and commissioning of four and two-room accommodation modules with verandas.

Other facilities on site included a retail shop, kitchen/diner, wet mess, beer garden, laundry building and gymnasium.

In addition, buildings for training and recreation, communications and administration were installed along with toilets, changing rooms and maintenance shed.
