

The Movember
Foundation Thanks

Decmil Mo's

For being part of Movember 2008. Your efforts helped us achieve a record breaking year which has resulted in cheques of \$8,135,630 being presented to both our men's health partners *beyondblue*: the national depression initiative and The Prostate Cancer Foundation of Australia.

The awareness that the 125,000 participants created has helped us change the face of men's health.

On behalf of everyone at The Movember Foundation we would like to acknowledge and thank you for your support, which continues the journey towards improving men's health.
